## Move-out Curriculum

### Interested in starting, expanding, or getting more involved in an on-campus move-out program?

Join us for this series of PLAN online workshops (in black below) and certification trainings (in green). This curriculum will lead you and your team through a semester of working on a Move Out Program (M.O.P.). For information on other workshops and trainings check out [www.postlandfill.org/workshops-and-certifications/](http://www.postlandfill.org/workshops-and-certifications/)
